ACCESS SERVICE

4. End User Access Service (Cont'd)

4.10 Universal Service Fund (USF) Charge

The USF end user-charge is designed to recover all Telephone Company contributions to federally mandated universal support mechanisms. Federal USF end-user charges will not apply to end-users as described in 4.8 preceding.

The USF recovery charge is computed by first summing end-user monthly interstate charges (End-User Common Line Charge, Presubscribed Interstate Carrier Change Charge, and Interstate IntraLATA Toll charge). This sum is multiplied by the FCC's quarterly USF contribution factor, as set below to yield the end-user monthly USF charges.

USF Contribution Factor	0.089	(I)
-------------------------	-------	-----
